Dear KVians,

On the eve of the new year, I would like to extend a warm welcome to all our students, teachers, officers and non-teaching staff of KVS who contribute in making KVS the vibrant centre of educational, co-curricular and sporting activity all year round.

A new year is all about taking new initiatives and realizing our dreams. So, let's have happier beginnings. Let us unlearn, learn and relearn certain things this year as well.

Today's students will be tomorrow's citizens. As such, if our students learn well following a disciplined life, they can pave the way for building a strong and progressive nation in future. Students need to equip themselves mentally emotionally and physically so as to make the strong foundation of a great nation tomorrow.

Sometimes it is observed that the students are overwhelmed with joy by their grades/marks but when it comes to the applied aspect of learning, they cut a sorry figure. The reason is that a majority of teachers and students don't master the basics of how to study and learn. The students are seldom taught to become self-learners. To correct this scenario, KVS Academic Wing has launched a flagship – programme "BACK TO BASICS" for class I to VIII with a Road Map to implement the programme in the light of learning indicators published by NCERT. The main objective of this scheme is that the grades/marks secured by the learner should be commensurate with the competence/skill in the concerned subject.

It is our duty not only to instill the spirit of excellence in the students but also to reinforce it time and again so that it becomes a habit.

Besides, we should also make every effort to ensure that the new initiatives undertaken by the Government viz. Skill India, Digital India, Swacha Bharat Mission, Sugamya Bharat, Cashless economy are successfully implemented.

As the year 2016 comes to an end, I must acknowledge the contribution and pay tribute to the people who have been instrumental in relentless pursuit of excellence in academics.

Thank you for being my support throughout the year and I wish to have you by my side in the coming year as well.

"The old order changeth yielding place to new, And God fulfils himself in many ways, Lest one good custom should corrupt the world." -Lord Alfred Tennyson

Wish you all a Very Happy Healthy and Prosperous New Year 2017!
