MESSAGE

As we all know, this year Vigilance Awareness Week is being observed from 27th October, 2014 to 1st November, 2014. The theme for this year's Vigilance Awareness Week is "Combating Corruption – Technology as an enabler".

The objective of Vigilance Awareness Week is to reaffirm our commitment to fight corruption. Corruption, in whatever form it be, is a social evil. Necessary steps need to be taken to eradicate corruption from all walks of life. The support, active participation and zero tolerance of all stakeholders are required in fighting the menace of corruption and to promote transparency, fairness and equity in governance. In order to eliminate unethical and corrupt practices from our system and to ensure equity and fair play in all our dealings, all the stakeholders are expected to accept participative vigilance with a view to enhance transparency in the Organization. It is the collective effort of all stakeholders as the movement against corruption cannot be won in isolation. So let each one of us resolve ourselves to be the integral part of the system in fighting against corruption and to bring about the change in our society.

Be a member of participative vigilance in Kendriya Vidyalaya Sangathan where every member has the right to raise voice against corruption and bad practices, taking advantage of present technology largely accessible to everyone. No one should be hesitant to bring such practices of corruption to the notice of higher authorities confidentially with sufficient evidences so that timely appropriate action can be taken. But one should keep in mind that making allegations simply in hostility will only help to make the whole process a farce.

Any confidential complaint on corrupt practices in KVS, with sufficient evidences, may be sent to the undersigned on the following e-mail address: cvokvs@gmail.com with name & complete postal address.

It is hoped that all stakeholders will rise to the occasion and respond to fight against corruption.
